COVID-19 catch-up premium spending: summary

Summary information			
Total number of students:	78	Amount of catch-up premium received per student:	240
Total catch-up premium budget:	£18,720		

Strategy statement
<ul style="list-style-type: none">• To raise the attainment of all students to close the gap created by COVID-19 school closures• To ensure all students are able to access the on-line learning platform at Batchwood school• To provide the extra support in class for year 10 and Year 9's in the core subjects

Barriers to future attainment:
In-school barriers:
Low levels of Literacy and Numeracy
Low self- esteem
Students in Years 9 and 10 have effectively missed 2/3 terms of face-to face learning
External barriers:
Culture of Learning needs to be embedded further for online learning
A significant number of students do not have access to devices for Google Classroom

Total spend on Catch-up funding			£21,198

Please note, we may not receive amount due to changes in cohort/partial funding but we will still be spending the above amount as we are committed to closing gaps in attainment and achievement for disadvantaged students as well as ensuring they receive appropriate provisions.

What are our next steps?

- To employ a 'core TA' for April 2021 to work with a group of targeted students in Years 9 and 10 in class
- Budget for a further 21 Chrome Books ready for new year 7 in September 2021 so that every student in KS3 has a school device at home as well as in KS4
