Dear Parents and Carers

At Batchwood School we believe that children have the best chance of success when home and school work in partnership. We value the interest that parents and carers show in the education of their children and the commitment they have to helping them achieve their best. It is our policy to keep in close touch with parents and carers concerning all matters regarding their child's progress, both academically and socially. This Home/School Agreement reflects the aims of the school governors and staff.
