

*Dear Mrs Spencer*

*A Huge thank you to you for all your support with Charlie over the Years. Your strong leadership has made Batchwood the School it is today. Batchood became an extended family for Charlie.*

*The Staff always went above and beyond to make Charlie feel like an individual, where his needs were met at every point in his development. In your School he was nurtured, encouraged and valued. His self-doubt eroded over time and he now believes all is possible.*

*Without the Mentoring and care he received he wouldn't be the Young Man he is today. We will always be eternally grateful.*

*Please accept this gift for the School as a token of our gratitude*

*Kind regards Always*
